BIBIANA visits schools

4. 6. – 25. 6. / Tuesday – Friday

Do you think BIBIANA goes to school and learns? Be ready to be surprised – BIBIANA, joined by BIB and BAB, may visit your school. This program aims to spread knowledge about BIBIANA, the institution, and about the Biennial of Illustrations and Biennial of Animation, showcasing the works of Slovak illustrators and children's books. Engaging students in creative activities, the program cultivates text interpretation skills and visual processing of text through illustration. The program is primarily designed for students in the 4th grade, and it builds on the Slovak Language and Literature and Arts & Crafts school curricula. It also expands the education programs Arts & Culture, Language and Communication. The program is also suitable for younger school kids and pre-schoolers.
